2. *May 6, Softpedia* – (International) **Tinba banking trojan checks for sandbox before launching.** Security researchers from F-Secure discovered a new variant of the Tiny Banker (Tinba) trojan, which checks for mouse movement and the active window a user is working on to ensure that it is executed on a real machine and not a sandbox before running its malicious routines. The trojan also queries the number of cylinders available to the system's storage device to determine if it is a virtual machine.

4. *May 5, Reuters* – (International) **SEC lawsuit alleges Ponzi scheme over North Dakota 'man camps.'** The U.S. Securities and Exchange Commission (SEC) sued North Dakota Developments LLC and its three owners May 5, for an alleged fraud and Ponzi scheme in which the suspects illegally raised over \$62 million from hundreds of investors in at least 12 States and multiple European countries since 2012 by selling stakes in 4 short-term housing projects for oil workers in the Bakken oil field region in North Dakota and Montana, known as "man camps." The SEC claimed that the trio paid investors from other invested funds and misappropriated over \$25 million for hidden broker commissions, payment to themselves, and investment in other Bakken projects.

Commercial Facilities Sector

20. *May 6, Orange County Register* – (California) **Cypress apartment fire displaces up to 200, burns cars and damages building.** About 175 – 200 residents were temporarily displaced from the Cypress Garden Apartments in Orange County, California, following a 2-alarm fire May 5 that prompted officials to cut off power to the building and caused an estimated \$700,000 in damage to the structure and its contents. Power was expected to be restored May 6, while the blaze remains under investigation.
Source: <http://www.ocregister.com/articles/fire-660737-concialdi-cars.html>
21. *May 6, Baton Rouge Advocate; KATC 3 Lafayette* – (Louisiana) **Lafayette apartment evacuated, police find explosive devices, weapons.** The Bell Downs apartment complex in Lafayette was evacuated for several hours May 5 after police found explosive devices among a large collection of weapons while searching the home of a man suspected of illegally discharging a firearm May 4. Authorities treated the items as live explosives and worked to remove the devices from the complex while the suspect was taken into custody.
Source: <http://theadvocate.com/news/12292503-123/lafayette-apartment-evacuated-police-find>
22. *May 5, WFXT 25 Boston* – (Massachusetts) **1 person killed in 4-alarm fire at Arlington condo complex.** A 4-alarm fire at the Brookside Condominium Complex in Arlington, Massachusetts, May 5 left 1 person dead and resulted in damage to 36 units. Officials believe the blaze was sparked by the improper disposal of smoking materials in mulch that was placed closer to the building than allowed by law.
Source: <http://www.myfoxboston.com/story/28977699/4-alarm-fire-breaks-out-at-arlington-complex>
23. *May 3, KDKA 2 Pittsburgh* – (Pennsylvania) **Fire causes \$1 mil in damage at apartment building.** The Brentmoor at Penn Center apartment building in Wilkins Township suffered an estimated \$1 million in damage from a May 2 fire that is believed to have been sparked by a faulty power cord. Several individuals were

transported to an area hospital, while dozens of residents were safely evacuated.
